Notes: The times reflect any 2 second penalty per pylon; the pylon count is shown in the penalty column.

\* Because of a car change, Steve's first set of runs were indexed HCR (.815) and the second set FS (.814). The car change does not ripple into class size or awards.

Where possible, DNF/DSQ runs show the raw time.

Class results are by single best run. Autocross points are by indexing the driver's combined best first heat run and the best second heat run.

B: Driver in SIR/SCCA bonus program. The driver's best three of four runs of each heat are shown in these results.

T: Trophy winner.
